Police are investigating a store burglary and two armed robberies which netted loot totaling more than \$8000 in the Quad-Cities late last week. Another break-in, a stolen auto, missing Christmas lights and other thefts also were among the weekend reports.

Burglars obtained cash and jewelry worth \$7114 at a downtown Granite City furniture store. The holdups resulted in loss of \$598 for the woman operator of a Granite City grocery and \$241 for a Venice furniture store.

Burglars made off with 84 diamond rings, valued at \$6300, and \$614 in cash Thursday night from the Franklin Union furniture store, 19th street and Delaware avenue.

The money and men's and ladies' rings, ranging from 1/4 to one karat each, were kept in a first floor safe at the rear of the store.

Police reported that the safe had three drill marks on the face of the combination wheel and also several hammer marks. Numerous hammer marks were found on the lower left hand corner of the safe, which opened from the left side.

Entry was gained by breaking out the lower pane of glass in a second story bathroom window and then reaching through and unlocking the opening.

Access to the roof was gained by climbing a flight of stairs to vacant apartment at rear of the DeWitt Paint Co. store, 1839 Delmar avenue, which is located at the rear of the furniture store.

James Singer, store manager, said that he is thankful the thieves did not take checks. He explained that a deposit was made Thursday afternoon and that he had cashed a \$250 check that evening, which helped to deplete the amount of cash on hand.

"We normally have about \$300 in petty cash in the safe," said Singer. "In our business there isn't too much cash that changes hands, because the big purchases are usually financed."

He said that Malin Yawitz, credit manager, discovered the theft when he opened the store Friday morning. Singer explained that the jewelry department is leased and operated by Aaron Sobel, who keeps his rings in the safe.

"He stole a gun or a play gun in his hand and kept behind me so I couldn't see him," Mrs. May Borer told the Press-Record in relating circumstances of a \$608 robbery in the back yard at her home, 2014 Missouri avenue at 6:10 p.m. Saturday.

Operator of a grocery store, Blue Ribbon Market Co., Two, at 2039 Illinois avenue, Mrs. Borer had left with the store receipts and drove to her nearby home, into which she moved a month ago.

As she emerged from the car after driving to the rear of her home, the man approached, demanded the money and then ran between two houses to the street.

"He weighed about 165 pounds, and his clothes included a dark sweater and a dark helmet-like," Mrs. Borer recalled. She believes his height may have been about five feet, nine inches, and she was unable to determine his race.

The bandit took a canvas bag containing cash from the store. He also took Mrs. Borer's wallet, removed money from it and threw the wallet onto the ground before fleeing.

She does not know the exact division of the \$608 between the

## No Serious Holiday Accidents In Area

Five Injuries Occur  
In Five Of 21 Mishaps  
In Or Near Quad-Cities

Two of the Quad-Cities escaped the long holiday weekend onslaught of traffic fatalities, but local, county and state authorities reported five persons, including a deputy sheriff, were injured in five of the 21 traffic mishaps occurring in the area.

Two of the injured were hospitalized and later released, indicating there were no serious injuries despite heavy traffic on the streets and highways both Friday and Saturday. Flow of traffic was considerably lighter on Sunday and on Christmas Day.

A Madison county sheriff's deputy under discussion as a possible accident candidate suffered a back injury at 12:30 a.m. Friday when his northbound car left Route 112 three miles north of Edwardsville and overturned. The deputy, Clyde Tisdell Jr., 38, had been on duty and was en route to his home in Bethalto.

He was taken to St. Joseph's Hospital, Alton, for treatment and X-rays.

Strikes Parked Car  
Admitted to St. Elizabeth Hospital Sunday night following emergency treatment was Jacob H. Allman, 25, East Alton, who was driving north on Omaha street when he struck a parked

car. A ruling may be forthcoming in about one month.

Afterside Madison Bridge  
It is believed the case may have bearing also on the Madison-owned Chain of Rocks Bridge. That bridge, located outside the city, has been paying property taxes to Madison county.

Added Severs Needed  
The committee stresses the need to provide additional sewers, pointing out that in sections of the city with combined sanitary and storm water sewers there is frequent flooding even during a light rain storm.

Also, with the city required by the state to take immediate steps toward river pollution abatement, the citizen group says "it is evident that separate

sanitary and storm water systems are needed to achieve the resulting relief of the city's drainage problem."

Participants will have an opportunity to make an informal appraisal of the Communist challenge with major emphasis devoted to comparing our private competitive enterprise system with the economic system of Communist Russia, Karandjoff said.

All the workshops are to be conducted as discussions, he noted, with no "teaching" or lecturing. The participants work out solutions to problems, and discuss questions designed to give them a better understanding of both our own economy and that of Communist countries, and the strengths and weaknesses of both systems.

DESTROYED HOMES of Mrs. Joseph Cox and Mr. and Mrs. Richard Day sr., at 2804 and 2806 Denver street, being viewed this morning by Dixon Spicer, 2809 Denver street, who pulled Mrs. and Mr. Day from their blazing home about 2:30 a.m. today. No one was injured in the

fire of undetermined origin which broke out in the unoccupied home of Mrs. Cox. Damage was set at \$7300 by firemen who were at the scene nearly three hours. (Other picture on page 101).

With a trickle of contributions still coming in, the Salvation Army's 1961 "Tree of Lights" fund drive has gone over its \$4500 goal by more than \$400.

Capt. Mildred Walker, commander of the local post, said this morning \$4943 has been contributed. She called the drive "most successful," and said 380 Christmas baskets were provided for needy families.

"I've never worked on a Christmas project of this size before where everything went so smoothly," Capt. Walker said. "A note of thanks is due the entire community."

G. H. Sternberg, chairman of the fund-raising campaign, echoed the commander's words, and expressed his gratitude for the cooperation of all those who contributed in any other way were connected with the drive.

"We owe thanks to so many who couldn't begin to name them," Capt. Walker said. "I know there are many whose efforts may have gone unnoticed at the time, but they certainly were appreciated."

Agencies Cooperate  
The Salvation Army, working closely with Catholic Charities and the Protestant Welfare Association, had served as a clearing house for distribution of Christmas baskets in the community.

In addition to those baskets and toys provided by the "Tree of Lights" fund and distributed by the Salvation Army, a number of other local organizations and individuals contributed them to those whose names were supplied by the clearing center.

Both Capt. Walker and Sternberg had expressed optimism during the drive of reaching the goal, as collections from the beginning ran ahead of those last year. The 1960 goal, same as this year's, was surpassed by \$200.

A measure of the drive's progress was the "Tree of Lights" itself, a tall Christmas tree in Memorial Park across from St. Elizabeth Hospital. For every \$25 contributed to the fund, a new bulb on the tree was lighted.

Letter Of Thanks  
Capt. Walker received in this morning's mail a letter of thanks from a mother whose Christmas basket and toys for her children, all supplied through the fund, were delivered to the home. She said those who picked up their baskets expressed their gratitude personally.

## Neighbor Pulls Couple From Bazing House

Business Review,  
Forecast Thursday

The ninth annual Press-Record business review and forecast will be published in Thursday's issue, the last of the year.

Twenty-eight leaders in the fields of industry, finance, retail sales and community planning have written articles for the forecast section, summarizing 1961 and giving their views on the Quad-City and national economy during 1962.

Mrs. Eleanor Unfried, 69, of 2548 Hodges avenue, was dead on arrival at St. Elizabeth Hospital at 7:20 a.m. yesterday after being stricken by a sudden heart attack while attending a Christmas Mass at Sacred Heart Catholic Church.

Mrs. Unfried had been under a doctor's care recently for a heart ailment, from which she had suffered for the past few years. After her collapse at the church, she was taken by ambulance to the hospital.

Born in Ridgeway, Ill., Mrs. Unfried had been a Granite City resident for 35 years. She was a member of the Sacred Heart Church and the Victory Mothers.

Her husband, Henry C. Unfried, preceded her in death last June.

Surviving are two daughters, Mrs. Patrick (Mary) Casan and Mrs. William (Marguerite) Love, both of Granite City; a son, Joseph, of Bloomington. She had a sister, Mrs. Agnes Garza of Equality; a brother, Henry Robert of Alton; nine grandchildren and 15 great-grandchildren.

Federal arrangements are given in the obituary column.

Wm. Guiot, 61, General Steel Foreman, Dies

William Rudolph Guiot, 61, of St. Louis, a native Granite City man and a foreman at General Steel Industries, Inc., here, died about 11 a.m. Saturday at his home, 4674 Carr avenue, up on arriving home from Barnes Hospital.

Mr. Guiot, who moved to St. Louis about 50 years ago, had entered the hospital Nov. 28 and underwent stomach surgery on Dec. 1. While at the hospital, Mr. Guiot developed pneumonia.

He had been home only a few days when he died suddenly. He was employed at the local plant 32 years and was assistant general foreman.

Survivors include his wife, Mrs. Stella Guiot; a son, William A. Guiot, and a daughter, Teresa Staskiewicz; all of St. Louis; two sisters, Mrs. Cecelia (Freeman) Komer of Granite City and Mrs. Pauline Staggner of St. Louis; and a grandson, Mr. Guy Mary Fraude, a welder of St. Louis, died two weeks ago.

Services will be conducted at Holy Rosary Church, 2047 East Grand, St. Louis, with burial taking place at Calvary Cemetery, St. Louis.

Fire Marshal Called  
Assistant Fire Chief Curtis Denley told the Press-Record this morning the department has called upon Deputy Fire Marshal James F. Grier of Granite City to investigate the cause of the blaze. It is possible, Chief Denley said, that the Cox home was entered either by youngsters or transients and a fire started in the kitchen.

Occupants of a metal house trailer at 2806 Denver street, Mr. and Mrs. Thomas Burcham and six-month-old daughter, Lavonda, were forced to flee the flames because of the intense heat, which broke windows and warped the side of the trailer closest to the Cox home.

Mrs. Burcham said her husband was first aroused and had been aided by Mr. Spicer in opening the warped door of the trailer. "We were all asleep in the middle bedroom, when my

daughter was awakened by the light of flames, was credited early this morning with the rescue of Mr. and Mrs. Richard Day sr. from their blazing four-room frame home at 2806 Denver street, which was also destroyed, and three occupants of a trailer at 2800 Denver street, were forced to flee in night clothes.

Dixon Spicer, 2809 Denver street, quickly pulled on clothes and went to the Day home when awakened about 2:30 a.m. by his 17-year-old daughter, Marilyn, who was wailing with light from the fire flashed into her front bedroom. The fire of undetermined origin caused an estimated \$7300 damage.

Spicer, an employee of General Steel Industries, dashed into the Day home, and pulled the couple, barefooted and in night clothes, out of the flaming house and took them across the street to his home.

"I didn't know whether to go in or not," Spicer told the Press-Record. "When I reached the front door, the heat was intense and the house was filled with smoke. I could see the flames in the back bedroom in the

back bedroom in the front room, calling to her husband who was in the front bedroom trying to find some insurance papers and a key to the house. Spicer said, "and then I went into the front bedroom where I grabbed Mr. Day and pulled him out."

Day, a jolter operator at General Steel, was able to find the insurance papers and to his home, but was nearly overcome by smoke when pulled out by Spicer. Spicer, 58, did not require medical attention for smoke inhalation, but his wife, Alma, 60, was uninjured.

The home of Mrs. May Cox, which furnished and with utilities still connected, was unoccupied as she is 82 years old and during winter months goes to live with a son, Carl Cox, 2208 Illinois avenue. The Days are living temporarily with a son, Richard, 27, at 4402 Kirkpatrick Homes.

## Kerner's Pre-Holiday News Session Canceled

(Special from Springfield)  
Speculation that Orville Hodge, former state auditor, might be pardoned prior to Christmas ended Friday when Gov. Kerner canceled a news conference scheduled for that day and said he had no announcements to make.

Kerner noted that the Friday conference had been listed before he held an informal conference with newsmen three days earlier, at the conclusion of a Christmas party for him and his staff by correspondents at the state capitol. The Dec. 19 meeting with the press made the Friday session unnecessary, the governor said.

Kerner has not yet announced a decision on Hodge's parole request. He has been studying a report and recommendation from the State Parole and Pardon Board.

## Motorist To Appeal 60-Day Jail Sentence

Joseph W. Purcell, 28, Bend road, was sentenced to a 60-day county jail term Saturday for a second offense of driving without an operator's license. Serving notice of appeal of the sentence to the county court, he was released on \$1000 property bond Sunday.

Purcell pleaded guilty to having fictitious auto license plates, being fined \$50 and costs, and to careless driving, being fined \$10 and costs. The hearing was conducted by Granite City Police Magistrate Andrew Gasparovic Jr.

The charges were filed Dec. 10 after a Madison traffic accident. Police alleged that he took his impounded car and drove to Granite City, where a second collision occurred.

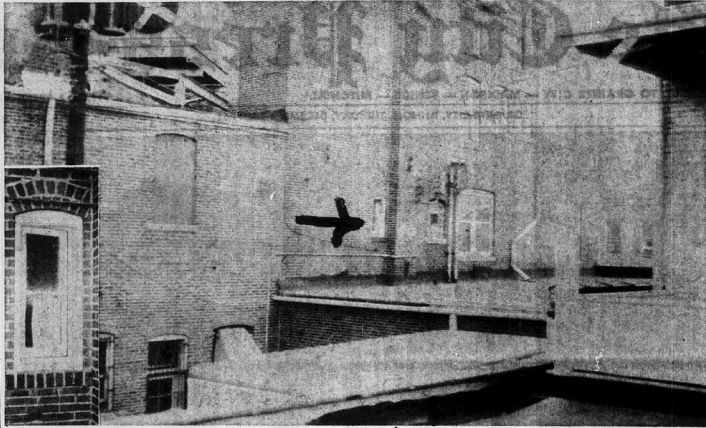

ROBERT BUTLER, son of Mr. and Mrs. Robert O. Butler of 3164 Aubrey avenue, has been appointed as chairman of the Teen-Age Program of the 1962 March of Dimes campaign in the Quad-Cities area. The "TAPS" program is a part of the overall campaign which begins here in January under the direction of Mrs. Nina Bigley.

## Accident Charge Filed

Charged with leaving the scene of an accident at 9:15 p.m. Sunday in the 1700 block of State street was Vincent Shelton, 63, of 2045 Lee avenue, who posted his driver's license as bond. Police said they arrested Shelton at 18th street and Madison avenue. He had struck a parked car belonging to Gene Miller of 2029 Russell street. There were no injuries, police said.

## Posts Cash Bond

Posting \$11 cash bond yesterday at 6:25 p.m. was John Lerch, 17, of 3226 Colgate place, who was charged by Granite City police with speeding on Madison avenue.

## SIU To Offer Five Courses For Teachers

Five special education courses of interest to classroom teachers and persons planning to teach will be offered by Southern Illinois University at Alton during the winter quarter. All will be taught evenings.

Three of them will be taught at East St. Louis. Dr. Mark M. Tucker, professor in education and consultant to the National Education Association project on the academically talented, will teach "Education of Gifted Children," and "Methods and Materials of Teaching Exceptional Children."

Miss Ann Carey, who has had extensive public school experience as a speech therapist, will teach "Speech Correction for the Classroom Teacher." This course is designed to give the classroom teachers a better understanding of the function of the speech therapist and enable them to assist the therapist with children who have special difficulties, according to Dr. Cameron Meredith, educational division head.

Two other courses, "Problems and Characteristics of the Mentally Retarded," and "Directed Observation of Exceptional Children," will be taught at Alton by Dr. Orval G. Johnson, assistant professor in education.

Both courses, Meredith said, will meet together, but persons enrolling for the first one do not necessarily have to enroll for the other one this quarter.

"These courses," Dr. Meredith added, "are two of the basic courses required for certification in Illinois for teachers of educable handicapped children."

tailed construction plans for a treatment plant.

D. B. Morton, engineer for the Sanitary Water Board, has told council members and citizens' committee that the board's primary interest is the abatement of pollution but that the program outlined by the citizen group for tying in drainage to separate sanitary and storm sewage would answer a local drainage problem and at the same time give the city a treatment plant with lower construction and operating costs.

Under the proposed \$9,250,000 program, the engineering firm of Sheppard, Moran & Schwaab set up six drainage districts in sections of the city with combined sanitary and storm water sewers, with the drainage line construction to cost a total of \$7,300,000, including \$389,500 for the channel through the Granite City Engineer Depot and \$85,520 for improvements to the Nankaid storm water drainage ditch.

In addition, the drainage system calls for construction of three lines to intercept sanitary sewage to be built at an overall cost of \$1,400,000, for a total of \$8,900,000.

Of this total, the city is anticipating \$1,800,000 in financial aid from the East Side Levee & Sanitary District.

**Treatment Plant**  
Sewage treatment plant costs have been set at \$1,200,000 with an additional \$25,000 for purchase of trucks to haul filter cakes from the plant to the city dump. The treatment plant would be located between the Granite City Engineer Depot and the down stream end of the Chain of Rocks canal.

A separate sewage treatment plant for Granite City under the levee district's proposal for pollution abatement throughout its area would cost \$2,857,000 to treat effluent from the combined sewer system. A joint plant for Venice, Madison and Granite City's combined sewers would cost \$2,330,000 and not include a proportionate cost of a sludge processing plant which would be a part of the plan.

The levee district's joint treatment plant for Venice, Madison and Granite City, with Granite City having separate sanitary drainage sewers, would cost \$2,047,000.

## Returns From Hospital

## Cars Damaged In Crash

A collision at Edwardsville road and 20th street Friday evening damaged the left fender of the auto of Gene Binto, 2503 Jerden avenue, and the right rear fender of the car of Joseph Papp, 2853 Center street, police were informed.

## Vandals Tear Screen

Floyd E. Hawk, 3037 Willow avenue, told police Sunday at 10:35 p.m. that vandals tore the screen off his back door.

## Held For Beating Brother, Mother; Had Been Drinking

Robert Henderson, 54, of 1911 Edwardsville road is still in custody today at the Madison county jail, where he was taken Dec. 20 after allegedly beating his brother, Virgil, 57, and his invalid mother, Mrs. Arvilla Henderson, in their home at the Edwardsville road address at 11 a.m. Dec. 19.

No record of a charge being filed has been found at the jail or the state's attorney's office. However, authorities at both offices said they assume a warrant is being issued by Assistant State's Attorney John Gitchoff. Gitchoff could not be reached to determine the status of prosecution.

Investigation by sheriff's deputies and Madison police indicated that the attack occurred after Robert Henderson returned home after drinking during the evening. Awakening from a nap, he became enraged upon learning that his brother had consumed beer from cans he had brought home.

Virgil Henderson was struck repeatedly and then his mother was struck after she began calling out, deputies were told by members of the family. When Virgil Henderson attempted to telephone for police, Robert Henderson allegedly pulled the receiver loose, disconnecting the instrument. The two were then struck with the receiver and with a ball pen hammer.

Both suffered multiple bruises, and Virgil Henderson was beaten severely about the head. "He was drunk on wine," Virgil Henderson told the Press-Record in explaining the incident. He has been released after receiving treatment at St. Elizabeth Hospital.

"Wine always affects him that way," he related, adding that both he and his mother are "still very sore" from the bruises. He added that he has not signed a warrant, but understands that the state's attorney's office will proceed with prosecution.

## Cut On Door Glass

## Miss Lupardus And John Dine Wed Friday

In an informal ceremony Friday evening at Second Baptist Church Miss Vivian Lupardus, daughter of Mrs. Homer Lupardus, of Rural Route One, and the late Mr. Lupardus, was married to John Dine, whose parents are Mr. and Mrs. Dan Dine, 2712 Denver street.

Rev. W. L. Showers officiated at the 6:30 service in the presence of the families who later motored to the Lupardus home reception.

The bride wore a ballerina-length dress of white lace over tulle, styled with ear sleeves and a sweetheart neckline. Her fingertip veil was of tulle and she wore an orchid corsage.

The attendants were Mrs. Jackie Woods, a sister of the bride, and the bridegroom's bridesmaid, Janice Dine.

The newlyweds will reside at the "300" room of the Big Top Bowl after the ceremony. The bride is a special education teacher at Niedringhaus school. She is a graduate of Southern Illinois University.

## Radiant Guild Gives Food Basket

The Radiant Guild of the Gospel Haven Church, 4500 Maryville road, was entertained in the home of Mrs. Dorothy Luckert, 2439 Woodlawn avenue, at the regular monthly meeting and Christmas party Thursday evening.

Mrs. Dorothy Tedder was in charge and plans were made to deliver a Christmas basket to a needy family. Three boxes were also sent to missionaries in New Mexico.

Mrs. Tedder gave the devotion which consisted of Scriptural verses and motion picture slides of "The Night Christ Was Born." Mrs. Norma Boney played a number of carols and the group exchanged gifts of the season.

Refreshments were served by the hostess and co-hostess, Mrs. Anita Harley.

## Miss Mary Ruth McMurtry, Leon Stoutt Wed Saturday

Miss Mary Ruth McMurtry, a daughter of Mr. and Mrs. Leonard McMurtry, 2433 Dewey avenue, and Leon Stoutt, whose parents are Mr. and Mrs. Walter Endicott of Success, Ark., were married Saturday afternoon at Second Baptist Church.

Wedding music was furnished by Miss Elaine Russell, soloist, who sang "O Promise Me" and "I Love Thee," accompanied at the organ by Miss Paula Hayes.

Rev. W. L. Showers heard the vows of the couple at two o'clock and a reception followed at the church.

The bride was given in marriage by her father. She wore a dress styled with a white lace bodice with a low round neckline edged with pearls, long sleeves and a skirt of organza over tulle extended with a hoop. White orchids made up the bridal bouquet.

Attendants for the bride were Mrs. Loretta Booker, matron of honor, and Miss Jean Robinson, bridesmaid. Both wore light blue and held bouquets of white flowers.

Clarence Owens was best man for Mr. Stoutt.

After a trip to Arkansas and Missouri, the newlyweds will live in St. Louis where both are employed.

## BIRTHDAY PARTY FOR JULIE BARTELS JR.

## 100 Illinois Lawyers Back Simon For Senate

A hundred attorneys, including State Attorney Dick H. Mudge Jr. and other public officials, endorsed Rep. Paul Simon (D) of Troy for the 1962 U. S. Senate nomination in an announcement made Thursday night in Chicago. Co-chairman, State Rep. Abner Mikva and Patrick Crowley, former National Christian Family Movement president, urged backing of Simon in a letter to James Roman, state Democratic Party chairman, Chicago Mayor Richard Daley.

It was reported that the group of 100 includes six state attorneys, four state legislators, a former Illinois attorney general, a former law partner of United Nations Ambassador Adlai Stevenson, a former national Amvets commander and the Chicago Council on Foreign Relations president.

The letter from "100 Illinois Lawyers for Simon" said he would attract many Republican and independent voters and called attention to Illinois' "tradition" of having one senator from Cook county and one from "downstate."

## Christmas Setting For Pryor-Petroff Nuptials

In a Christmas setting Miss Sharon Ann Petroff, a daughter of Mr. and Mrs. Chris Petroff, 2607 East 23rd street, was married Saturday evening at St. John United Church of Christ, 2901 Nameoki road.

Rev. Paul Surbey officiated at the 8 o'clock service, with double-ring ceremony. Vases of red and white flowers in urns adorned the altar and poinsettias and greenery decorated the posts along the white-carpeted aisle and the candleabra which illuminated the sanctuary. A huge Christmas tree trimmed with lights and tinsel added to the beauty of the ceremony.

Escorted by her father, the bride was preceded by Mrs. Betty Watts, matron of honor, and Misses Clara and Anita Cherry, bridesmaids.

For her wedding, Miss Petroff wore a gown of imported Chantilly lace, classic in styling. The sabbina neckline was outlined with seed pearls and crystal fringe to points at the wrists. The er, were a dress of beige chiffon with a gold embroidered jacket and gold and beige accessories.

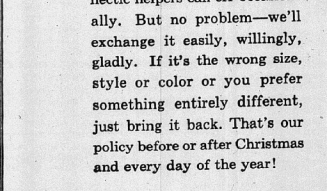

The bride's small sister, Debra Petroff, and Kevin Pryor, 10-year-old, were the ring bearers. The former, in red velvet, wore the dress of the older attendants, carried a white basket filled with red roses and carried a white veil. The latter, in a white tulle dress, carried a white basket filled with red roses and carried a white veil.

The bride and groom were accompanied by their parents and other relatives. The reception was held at the home of the bride's parents.

# Warriors vs. Host Team in Pontiac Holiday Tournament Tomorrow Night

The 16-team, 24-game Pontiac holiday basketball tournament, in which a team could conceivably play four games and still come away with a trophy, will open in the Pontiac National Guard Armory tomorrow when Waukegan and Lockport square off at 9:30 a.m.

That match is the first of eight scheduled during the opening day of the three-day tournament. The only entry from this area, and host Pontiac will conclude first-round action in a 9:30 p.m. game Wednesday.

The odd arrangement in the double elimination tournament makes it possible for a team to appear in four games, lose three of them, and still come away with the claim of having played in either the consolation third-place or "major" third-place finals.

For example, if Granite City loses to Pontiac, the Warriors would meet the defending champion, the LaSalle-Peru-Princeton contest in the consolation bracket at 9:30 p.m. Thursday. If they win, they would drop the club into the "third-place consolation" final game.

At 11:30 a.m. Friday, Granite City would play next at 8:15 p.m. Thursday. Something similar to the above also will happen to a team which moves to the winners' side of the bracket, which is set up

Admission to morning session will be 50 cents for students and 75 cents for adults. Afternoon sessions on Wednesday and Thursday are \$1 for adults and 75 cents for students, and \$1.25 for adults on Friday. Students will be admitted to all evening sessions for \$1; adults for \$1.25. If a tournament dark horse exists, it would have to be the Warriors, only entry still looking for victory No. 1. "But we are looking better in practice," Coach Andy Sullivan commented concerning his sophomore-laden team. "Experience is the thing we need."

Flu and various other respiratory ailments which have knocked out more than one team in this area have not affected the Warriors to any great extent—on game dates. Sullivan said he expects to take the entire team to Pontiac by auto this afternoon. Staying behind will be 6-7 George Moser, who underwent knee operation two weeks ago. "But George was out to practice for the last week, watching without his crutches," Sullivan said. There is still hope that the big junior will be of some assistance later in the season.

**Banquet Tonight**  
All teams in the tournament will be the guests of the Pontiac Chamber of Commerce at a banquet tonight. Then they will leave for the various hotels and motels to get a night's rest prior to the beginning of play.

# Waukegan Wrestlers End GC Winning Streak At 18 In Row; Tourney Next

Streak-snapping Waukegan, always one of the top prep wrestling teams in Illinois, broke a long string of Granite City high school wrestling victories for the second time in two years here Saturday afternoon, beating Bill Schmitt's flu-racked maters, 29-16.

It was the Bulldogs who ended a 21-match GCHS victory streak last winter in Chicago, 31-1, Granite City had won 18 straight dual meets since that time. The first of the 1960-61 season and seven straight this year—when the two teams squared off at Memorial gymnasium Saturday.

The previous evening, the Warriors climbed to 7-0 in the Waukegan Riverview Gardens of St. Louis for the second time in a week, 40-6. Waukegan had a lot of things to come by burying Normandy of St. Louis in the other end of the holiday double, 43-3.

Lead 11-0  
On Saturday, the Bulldogs got off the mark quickly by winning the first three individual bouts to open up a 14-0 lead. The Warriors, who have not gained much success in their higher weight classes this season, were further handicapped by illness. The flu bug had bitten regular 102-pounder Dan King, and Bob Troha stepped into the vacant classification, weighing 89 pounds "soaking wet."

Roger Bloodworth gave GCHS his first points with a decision at 120 pounds, but Bill Johanneau and Steve Bay, a pair of undefeated Bulldogs, added six points to the visitors' total in helping to build a cushion. In the middle weights did not offset Don Pindell, Rudy's brother, and Bob Kary of Granite City all went down to defeat for the first time this season. Pindell was pinned by Heavyweight Bob Billberg, another undefeated Waukegan grappler.

## Park Winter Activities Are Drawing Record 2000 Participants This Year

Winter recreation activities of the Granite City park district are drawing a record number of boys and adult participants. Recreation Director Harold Brown said today.

Brown said about 2000 persons are participating in one or more phases of the program, and that each activity has shown an increase over last year's enrollment.

Top drawer is the park's ice skating program for boys and girls in the fourth through ninth grades, where 1000 participants each week are listed by Brown.

Square dance lessons are offered at the park, and a new program of the game in supervised programs held at the two junior high schools, Nameoki school and the park district recreation center.

**25 Bowling Teams**  
A bowling program helps bring girls into the park's schedule of winter activities. This year, there are 25 teams active in league play each Saturday. Each of the 100 girls is provided with a bowling ball, and an annual mother-daughter bowling banquet is set for next April.

Mothers and daughters also are lining up to compete in the second mother-daughter bowling tournament, scheduled for next week. An average of 150 youngsters is on hand each Tuesday for the program at a local rink. Participation in this activity is also running ahead of last year, Brown reported.

A variety of activities for boys and girls is scheduled regularly at the recreation center, 451 N. Niederrhein avenue. Included are cooking, sewing, doll-making and gym classes for girls, and basketball, tumbling, table tennis, pocket billiards and wrestling for boys. An average of 350 youngsters makes use of the recreation center facilities each week, Brown added.

Another attraction, where weather permits, is the park's outdoor rink, located on Fehling road. The rink is open to the public at any time when temperatures are below freezing, where the circular flooded area freezes solidly.

**County Beagle Club Elects, Will Host State Championship Stakes**  
Officers for 1962 were elected Thursday at a regular meeting of the Madison County Beagle Club. The group of sportsmen meets monthly at the Nameoki school and conducts field trials on its 120-acre fenced game preserve near Dorsey, Ill.

Charles Grogan was re-elected president and Lloyd Felling was elected vice-president. Leonard Ham was elected secretary-treasurer. Chester Grogan took office as sergeant-at-arms. Board members for the coming year are: Grogan, Felling, Dorsey, Vernie Orlder, Bill Cherry and Willis Shewchuck.

# Madison's Press Opposes Quincy's Tomorrow In East Side Tournament

Shooting for their eighth win in as many starts, Madison's cagers will meet the Quincy Blue Devils tomorrow at 7:30 p.m. in the first round of the East St. Louis holiday tournament.

Officially seeded second to Collville in the eight-team classic, Coach Earl McClanahan's Trojans are expected to get their stiffest test of the season tomorrow night.

Madison's Friday night game with Triad was cancelled Thursday afternoon when Triad school officials notified Madison Principal John Falchert that an outbreak of respiratory ailments among members of their basketball team had forced the school to postpone the game, which has not been rescheduled.

Similar illness has plagued Madison's reserves, but the first team members have not been stricken yet. Substitute Calvin Jackson and Cecil Bell have been out of school with the ailment.

**Ranked Tenth**  
The Blue Devils, ranked tenth in latest Illinois prep polls, have their entire squad back from last year. Hampered by injuries at the start of the season, Quincy expects to regain the services of its center for the Madison game. Coach Sherill Hanks' squad is led by Guard Rick Rhineberg.

The tournament as well as the Quincy-Wadsworth contest could be termed as a grudge match.

In other conference play Friday night, Belleville continued to rule the roost after sidetrack-

ing East St. Louis 77-52. The Maroons are undefeated in seven games, including four in the SWC.

Alton walked Wood River 71-51 to move into a tie for second place with Collinsville, which was administering a 73-53 defeat to Decatur in a non-conference contest.

**BACK AGAIN**—The United States Army has called upon an old and famous ally to help it attract volunteers, the Uncle Sam poster that was used during both world wars. Granite City Mayor Leonard Davis, right, and Sgt. W. M. Foster, local Army recruiter, are shown here placing the famous poster in a stand in front of city hall last week. The poster was drawn by James Montgomery Flagg, who died in 1960, for a 1916 magazine cover.

## Social Agencies' Growing Caseloads To Be Discussed

A meeting of Quad-City social welfare agencies to discuss mutual problems has been arranged for 1 p.m. Monday, Jan. 8, at the city hall in Granite City by the Coordinated Youth Service's board of governors. Arthur Christie, board president, has announced.

Christie cited rapid increases in referrals and requests for services, commenting that could affect the quality of CYS services unless adequate staff size and office space are maintained. The meeting is intended to determine whether other agencies have similar problems and whether joint discussions would aid in solving them.

Purpose of the meeting is to discuss the challenge of the present and of the future," Christie said.

"Social agencies provide a necessary service to people in order that they can become more productive citizens. This community is growing. Its real potential appears to be almost limitless.

"Because of this indicated growth, we can only expect an increase in the demands for our services. If we will not be able to work through these problems, the challenge of each client's needs cannot be met with any effective force of action."

### PARITY FOR BROWNIES

# Progress, Problems, Tragedy In Quad-Cities During 1961

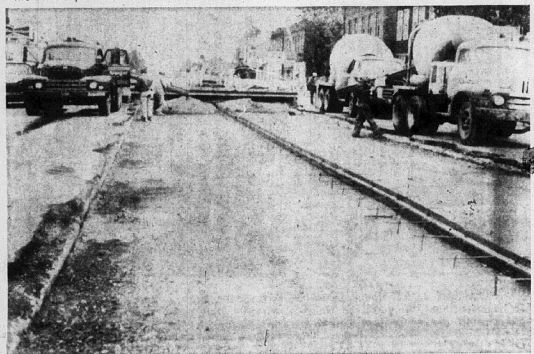

**TRAGEDY STRUCK** the community just after 1 p. m. on Wednesday, Aug. 9, when a terrifying explosion shattered the Nestle plant at 21st and Adams streets, bringing death

to two workers and injury to six others. The resources of the entire community were thrown into the dramatic 14 1/2 hour rescue attempt which followed, with countless instances of individual heroism shown.

**GRANITE CITY—NOT VENICE (ITALY).** Boating in the streets such as occurred last May 7 is expected to end forever with a recommendation made in 1961 by the Citizens Master Sewer & Drainage committee for separate storm

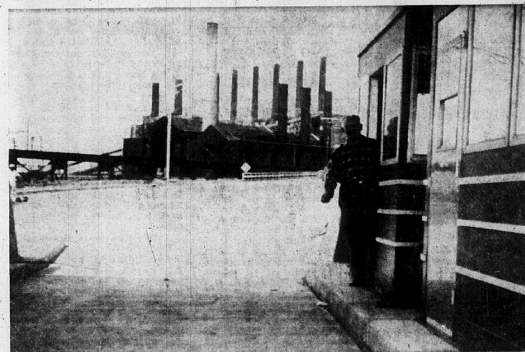

water and sanitary sewers for the city. The group's final report was made this month, and a decision is expected to be made early next year by the city council on a program for drainage relief and pollution abatement.

**MADISON AVENUE** widening and paving, as shown here in the 1200 block, has added immensely to the Madison business district. With the old streetcar tracks removed, work went forward rapidly in 1961 on the resurfacing project in spite of work stoppages because of labor disputes.

**FALLOUT SHELTERS** became a matter considered by many in the Quad-Cities during 1961, as a few families—such as the Elmer Neumann family shown here—made provision for safety in the event of a nuclear attack.

**JULY 17 CEREMONY** marking the opening of new toll lanes on the Venice-owned McKinley Bridge re-opened the bridge for traffic as the costly improvement project neared completion. The work added significantly to safety and appearance of the span, as well as facilitating the heavy flow of traffic which crosses it daily.

**MITCHELL PUBLIC WATER DISTRICT** system was started in 1961 and is expected to contribute greatly to the growth and development of the fourth community of the Quad-Cities. In addition to the new water system, the appearance of the Mitchell area also is being changed with the construction of new federal highways and an overpass at the railroad crossing.

**RAZING OF THE OLD** St. Elizabeth Hospital building on 21st street to make way for a parking lot for the hospital staff was another sign of progress in the Quad-Cities. The work also provided a measure of the changing times, as price of razing was greater than the original cost of the 57-year-old structure.

**BRIGHTER LIGHTS** throughout the Quad-Cities were evident with the installation of new fixtures in the downtown area of Granite City. The brighter lights now extend through Granite City, Madison and Venice.

**WAR MEMORIAL FOUNTAIN** completed and dedicated in 1961 as a tribute to veterans of all wars. The new fountain, shown above at its first testing, has been beautifully

landscaped by the Granite City park district, and many Quad-Cityans have commented that the fountain is one of the major improvements ever attained for the community.

**SEWER BREAKS THAT BROKE CITY** include Terrace lane, shown above. The breaks began early in the summer on Aubrey avenue and on Terrace lane and with the needed repairs to a 20th street trunk sewer the cost of over \$400,-

000 wiped out all of Granite City's reserve and is expected to send the city about \$170,000 in the red during the current fiscal year. The levee district is to open bids early next year to replace a large section of the Terrace lane line.

ANNUAL MADISON VISIT by Santa Claus to pre-school youngsters is pictured in progress last week at the Madison Recreation Center. He is shown leaving the holiday with Cheryl Gray, four and a half, accompanied by her mother, Mrs. Myrtle Gray, 2023 Colinsville avenue. Santa joined Madison police in distributing 4500 treats of candy, cookies and fruit to children and elderly persons.

## P. B. Skiver Dies At 83; Retired Trainmaster

Pearl B. Skiver, 83, a former Madisonian and railroad trainmaster here, who passed away Saturday at his home in Charleston, Ill.

Mr. Skiver, active for many years in the Madison Rotary club as a member and director, held 49 years' continuous service with the Nickel Plate line at the time of his retirement in 1950.

A trustee of the Madison Presbyterian Church during his residence here, he served as the Rotary club's delegate to the Rotary International convention held in Mexico City, Mexico, in 1952.

Born in Nelsonville, Ohio, Mr. Skiver resided in St. Louis before moving to Madison, he and his wife, Stella, moved to Charleston in 1950.

He began his association with the railroad in 1901 as a brakeman at Charleston, and held leadership positions for 40 years. He was a member and a past patron of Clinton Mason lodge 54 in Frankfort, Ind., and was active in Magnolia Branch 373 of the Order of Eastern Star.

Survivors besides his wife are a son, James Richard Skiver of Salem, Mo.; two daughters, Evelyn Glaze and Mrs. E. J. Gerber, both of St. Louis; two brothers, Eun Skiver of Detroit and Floyd Skiver of Toledo, Ohio; seven grandchildren and seven great-grandchildren.

Funeral services were to be held at 2 p.m. today at the Charleston Presbyterian Church.

## Two Cars Skid On Edwardsville Road

Two motorists lost control of their cars yesterday on a "slick spot" on the Edwardsville road near the Granite City Steel Co. blast furnace plant. Investigating the accidents for the county, Granite City police reported that the first mishap occurred at 9:50 p.m. when Anthony A. Penetion, 19 Edwardsville, lost control of his car and skidded and went into a slide.

The second accident happened about 10:40 p.m. when an eastbound auto struck the Granite City Steel Co. blast furnace fence at Prickie Lane. Driver of the car was Leroy R. Achenbach, 21, of 2410 Sheridan avenue. There were no injuries in either mishap, police said.

## Step Sign Charge

Charged with passing a stop sign at 23rd street and Washington avenue at 3:05 a.m. today was William C. Crowder, 35 of 1726 Edison avenue, who posted his driver's license as bond.

## COCONUT CREAM WAFERS and Macaroni Crispies

During the bustling holiday season and all year around, what more perfect treat than a busy day with cookies and milk. Tasty home-baked cookies are an especially welcome treat for the hostess at the end of a long day. Here are two delicious cookies just right for snacking — Coconut Cream Wafers and Macaroni Crispies.

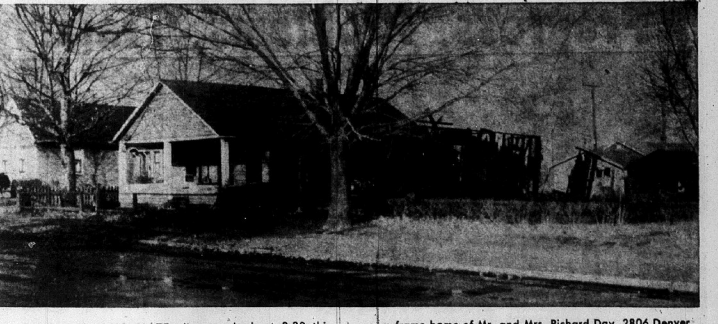

Both these cookies make a nutritious snack for any time of the day. Because they are prepared with enriched flour, they contain essential vitamins and minerals. Coconut cream wafers are rich, lightly crisp, cookies with the flavoring of orange, brown sugar and sour cream. Sweet coconut flakes are sprinkled through the dough for more flavor and texture. Shelled Macaroni Crispies are moist, chewy little rounds, delightfully easy to prepare.

## COCONUT CREAM WAFERS

1 1/2 cups, beaten egg  
1/2 teaspoon baking powder  
1/2 teaspoon salt  
1/2 teaspoon soda  
1 cup butter or margarine  
1 cup brown sugar  
1 egg, together with baking powder, salt and soda. Cream together butter or margarine and brown sugar until light and fluffy. Add eggs and beating mixture. Beat well. Blend in about half the flour mixture. Add sour cream and mix thoroughly. Then blend in remaining flour mixture. Add coconut and walnuts. Shape dough into rolls and wrap in waxed paper. Chill overnight in refrigerator. Slice 1/4 or 1/2 inch thick. Bake on lightly greased baking sheets in moderately hot oven (400°F) about 10 minutes. Makes about 8 dozen cookies.

## MACARONI CRISPIES

1 cup fine dry bread crumbs  
1 cup sugar  
1/2 teaspoon salt  
Combine crumbs, sugar, salt and coconut and mix well. Drop by teaspoonful on a well-greased baking sheet. Bake in moderate oven (350°F) about 10 minutes. Turn lightly browned. Remove from baking sheet to cooling rack at once. Makes about 40 2-inch cookies.

EARLY MORNING BLAZE, discovered about 2:30 this morning, destroyed two homes in the 2800 block of Denver street. On the right is the unoccupied, three-room frame house of Mrs. Joseph Cox, 2804 Denver street, who lives with a son during the winter, and on the left, the four-room frame home of Mr. and Mrs. Richard Day, 2806 Denver street. The Days were barefoot and in night clothes when called from their house by a neighbor, Dixon Spicer, 2809 Denver street. The loss was set at \$7300.

husband woke up," she told the Press-Record. The family lived in night clothes and went to the home of her parents, Mr. and Mrs. Lloyd Buckingham, 2810 Denver street, only a short distance away.

The \$7300 loss was estimated to include \$3500 to the building and \$1500 to contents at the Day home and \$1300 to the building and \$800 to contents at Mrs. Cox's house. No estimate was given for the trailer.

## Flames Blowing To Trailer

Mrs. Burcham, whose husband was chief clerk at the Owens-Illinois Paper Products Co. plant here, said flames from the Cox home were blowing on the trailer as they left toward a door on the side toward the blazing house.

Local delegates from the West Granite and Main stations were at the scene of the fire for over two hours, with the West Granite crew leaving about 5 a.m. The flames were extinguished shortly after 4 a.m. The seven firemen operated two pumps and the main ladder truck.

The \$7300 loss was estimated to include \$3500 to the building and \$1500 to contents at the Day home and \$1300 to the building and \$800 to contents at Mrs. Cox's house. No estimate was given for the trailer.

## Jaycee 'Shop GC' Sales Reach 50

Sale of "Shop Granite City" coupon books by the Granite City Jaycees, reached 50 last week. The books contain coupons to be applied on purchases at local places of business here. Since Jan. 1 through March 31, President Jerry McPherson said the Jaycees will be selling the booklets in booths located at 19th street and Edison avenue, Niedringhaus and Delmar avenues, and at the Bellemeville shopping center again this week.

The booklets, containing coupons totaling over \$165 in value will be sold for \$2.50. The coupons are good for a variety of items and services at firms in Granite City and Bellemeville.

Alternates are Harold E. Briggs, 2833 Dale avenue; Miss Lucille Coulter, 3161 Carlson avenue; Miss Louise Drexler, 2000 Lynch avenue; and Hugh Foster, 2660 East 24th street.

The Marquette Division includes the counties of Madison, Calhoun, Greene and Jersey.

ty for many years, but made the last payment under protest.

The McKinley Bridge case deals primarily with the 1959 and 1960 tax years, but the city has asked that an existing temporary injunction be made permanent.

The temporary order against sale of the bridge for delinquent taxes was issued by Judge Clark Jan. 16, a few minutes before it was to be placed for sale by County Treasurer Dan W. McGee.

At that time, the city was prepared to pay the \$18,070 tax bill for 1959 if it had failed to obtain an injunction. Preparations had been made for the city to bid for the bridge if sale proceedings were started.

On Assessment Rooks. The petition for a temporary halt was filed Jan. 13, 1961, after the city failed to stop assessments made by Venice Township Assessor Joseph W. Bergath and approved by the County Board of Review.

Those testifying Thursday included Venice Mayor John E. Lee, Bridge Manager Henry Mullen, County Recorder of Deeds James Chapman and Mrs. Evelyn Bowles, chief deputy county clerk.

The 1873 records produced by Miss Bowles dealt with bonded assessments made by Venice Township. Chief issue is whether the Venice corporate limits extend to the low-water mark of the Mississippi River bank, or to the Illinois-Missouri state boundary line in the middle of the river.

Pitching coach Whitlow Wyatt of the Milwaukee Braves has signed a contract stretching through the 1963 season.

### WHY RULES OF EVIDENCE ARE NEEDED

If you ever sit as a juror in a hard-fought trial, you will probably be impressed by the frequent objections made by the lawyers on each side to the evidence produced by the other side. You may well come away believing that most of these objections are frivolous and that the rules of evidence law are outmoded relics of days gone by, serving only to exclude proper evidence for technical reasons.

The rules of evidence found in Illinois courts are the product of many years of experience and growth. These rules are found in our statutes and in the decisions of the Illinois Supreme and Appellate courts.

If you understand some of the more basic principles underlying our evidence law, you will more readily appreciate why lawyers make objections during a trial, and why the judge often sustains their objections or overrules testimony or evidence.

**Relevance.** Materiality. First, evidence must be relevant and material to the issues raised in the case. When a lawyer objects that evidence is "immaterial" or "irrelevant," he means that the evidence has nothing to do with the facts which are in dispute in the case, or that the evidence has no value in helping the judge or jury determine the facts. He contends that the evidence offered, even if correct, is irrelevant, even if correct, is irrelevant.

For example, if one of the issues in a case is whether John Hill was carrying a gun in his car on June 12, when he ran into John Carver's car, it is irrelevant that John Carver is using a rifle, and it is immaterial that John's car is green.

Thus, this principle of relevance is not only relevant and material matters to be introduced in evidence is a time saving device to keep trials free from unimportant issues, which might tend to obscure the real issues in the case and to mislead the judge or jury.

**Reliability.** The second basic principle is that of reliability. The most important application of this principle

is in the so-called "Hearsay Rule."

When a lawyer asserts that the witness is testifying to what someone previously told him.

The witness has no personal knowledge of the facts he is testifying to; all he can say is that someone else told him about them. Hearsay testimony is excluded because of its fundamentally unreliable character, and because there is no opportunity to cross-examine the person who made the statement in the first instance.

**Authenticity.** The third basic principle of evidence law is that of authenticity. When a lawyer objects that "the proper foundation has not been laid" for testimony or documents offered, he means that it has not been shown that the evidence is authentic, the "real thing."

For example, if an account book is to be introduced in evidence, the lawyer cannot simply hand it to the judge or jury and say, "This is my client's day ledger." First, he must establish the book's authenticity or ledger clerk, take the witness stand, identify the book and testify as to how entries were made during the normal course of business.

The other party to the case may cross-examine as to this preliminary testimony. Thus, requiring a "foundation" for the introduction of false or inaccurate evidence. Many volumes have been written on the subject of evidence law, and the myriad of evidence problems which can arise in a trial cannot be covered here. But these three principles are the basis for much of our evidence law in Illinois, and their soundness can be appreciated by one and all.

This column is written to inform and to advise. No person should ever apply or interpret any law without consulting his attorney. Even a slight difference in the facts can make the result under the law. (The names used in this series are fictitious.)

## THE PASTOR SPEAKS

REV. ALPH CRAYCRAFT, Sr.  
First Baptist Church  
of Mitchell

Luke 2:9-11. And, to the angel of the Lord came upon them, and the glory of the Lord shone round about them; and they were sore afraid.

And the angel said unto them, Fear not; for behold, I bring you good tidings of great joy, which shall be to all people. For unto you is born this day in the city of David a Savior, which is Christ the Lord.

"Good tidings of great joy," the most blessed message ever proclaimed, one of unspeakable blessedness; joy to which no bound can be set, which no geographical limit can measure, which no thought can encompass, and which no race of men can embrace; joy to all the world's peoples.

The angel said four, not five, for unto you this day in the city of David a Savior is born, which is Christ the Lord. The sign of the gospel will find a babe wrapped in swaddling clothes, and lying in a manger.

The shepherds heard of this announcement and they were filled with joy, and now suddenly as the sign is given, "A babe wrapped in swaddling clothes, and lying in a manger."

## Alien Registration To Start Next Week

Aliens in the United States on Jan. 1 are required to report their addresses to the U. S. attorney general before the end of January. In the Quad-Cities area there are nearly 500 registrants each year.

The district director of the Immigration and Naturalization Service, Wilbur T. Flagg of Chicago, said aliens may obtain registration forms at post offices, and in addition to his address, he must list the date and place of entry into the United States, date and place of birth, nationality and alien registration number.

The law which requires the registration each January does not apply to aliens here in diplomatic status nor to those who are accredited to the United Nations. The parent or legal guardian of alien children under 14 years of age must submit an address report for such an alien. Any alien who is temporarily absent from the United States on Jan. 1 must report his address within 10 days after his return.

Willful failure to comply with the registration carries a penalty of possible fine and deportation, Flagg said.

#### Traffic Management

Registration for Southern Illinois University's winter quarter traffic management program, aimed at preparing candidates for four examinations leading to certification by the American Society for Traffic and Transportation, will be held Jan. 2 and 3 at the two area residence centers.

Persons seeking degree credit will register Jan. 2 from 4 to 8 p.m. and Jan. 3 from 6 to 8 p.m. at the university's East St. Louis branch, or at the Alton center.

Those seeking certificate credit only may register Jan. 2 from 7 to 8:30 p.m. in Room 224 at the East St. Louis center. Illinois classes start the week of Jan. 1 for degree credit candidates, and the week of Jan. 8 for all others.

### THAT'S A FACT

**ONE ALONE**

THE ONLY STATE IN THE U.S. OVER WHICH NO FOREIGN FLAG HAS FLOWN IS IDAHO.

**LOGIC!**

THERE'S A SIMPLE ANSWER TO THE QUESTION: "WHAT CAN I DO FOR MY COUNTRY?" THAT ANSWER IS: BUY U.S. SAVINGS BONDS. YOU HELP YOUR COUNTRY AND YOU HELP YOURSELF!

**BAGPIPES AWAIT!**

CONTRARY TO POPULAR BELIEF, THE BAGPIPES WERE NOT INVENTED BY THE SCOTCH... THEY WERE DEVELOPED AND PLAYED BY ROMAN SOLDIERS!

**UNDERWRITE YOUR COUNTRY'S MIGHT**

YOUR COUNTRY NEEDS YOU IN THE PRECARIOUS WORLD IN WHICH WE LIVE. YOU CAN HELP BY REGULAR PURCHASES OF U.S. SAVINGS BONDS. IT'S A PRIVILEGE OTHER PEOPLE WISH THEY HAD. YOU DO YOURSELF AND YOUR COUNTRY - A FAVOR WHEN YOU BUY U.S. SAVINGS BONDS.

#### Sp4 Johnson Graduates With Honors in Alaska

Specialist Four James E. Johnson, son of Mr. and Mrs. Aldo F. Johnson, Granite City, recently graduated with honors from the Fort Richardson (Alaska) Non-Commissioned Officers Academy.

Specialist Johnson received four weeks of training in various military subjects with emphasis on leadership and combat tactics. The purpose of the academy is to broaden the professional knowledge of the soldier and instill in him the self-confidence and sense of responsibility required to make him a capable leader of men.

The 23-year-old soldier, a radar operator in Battery C of the 43d Artillery's 4th Missile Battalion at Fort Richardson, entered the Army in September 1959, completed basic training at Fort Riley, Kan., and arrived in Alaska last August. Johnson is a 1956 graduate of Granite City high school. He attended the Missouri School of Mines and Metallurgy, Rolla, Mo.
